

| The Center for Innovative Jewish Learning

Darchei Noam Montessori is committed to providing a safe, happy, Torah-centered environment where each child can learn and build a lifelong love of learning. Our Scholarship Program is designed under The Center for Innovative Jewish Learning and works directly in line with the mission of the school's education. The Scholarship Program seeks to offer scholarships with honesty, integrity and dignity- all aligned with a Torah centered value set.

Working continuously with support of a financial team, the school uses best practices to stay financially responsible. Our tuition fees are set and fully cover all operating cost. Families are charged enrollment/materials fees to offset the cost of classroom set up and enrollment process in addition to the set tuition fee per division. Please refer to our Family Handbook (previously known as Student Handbook) for details about tuition.

Our Annual Scholarship Drive will determine the amount of funds available for allocation. Funds will be distributed based on our simplistic and open 2-part scholarship program.

1. **Commitment**

This would include staff with their ongoing participation and dedication as well as families that have and continue to be major contributors and supporters- not only financially, but more so in their alignment and commitment to involvement.

2. **Financial Need**

Using our simple questionnaire and a most current tax return, our school accountant, Mr. Steven Graber along with Mr. Eli Noff will review the paperwork.

Should you have any questions or need assistance, please call the office and request a time to speak with Mrs. Leiba Gornbein from our Administrative and Tuition Office. She can be reached through the main office number at 410-413-1426 or through the office email office@darcheinoammontessori.com Subject line: Tuition

Thank you for continuing to partner with us to provide a stable, productive and wonderful learning environment for all of our students!
